The Bidder is required to give confirmation of their acceptance of Special Conditions of the RC/ Tender Document mentioned below which will automatically be considered as part of the Contract concluded with the successful Bidder (i.e. Seller in the Contract) as selected by the Buyer. Failure to do so may result in rejection of Bid submitted by the Bidder.

1. **Performance Security/ Security Deposit.** Before signing of the rate contract the successful bidder will be required to furnish a **Performance Security** by way of **PBG** (From any nationalized Bank) or deposit and amount as **Security Deposit** for a sum equivalent to **10%** of the Total Contract value arrived at by multiplying the anticipated annual requirement with the price quoted by the Bidder (lowest quoted price) before signing of the Rate Contract.

2. **Parallel Rate Contract.** In case it is observed that a single supplier does not have enough capacity to cater to the entire demand of an item or where it is desirable to have a wider vendor base due to criticality of the items, it may become desirable to conclude parallel RCs with more than one firm. The Principal, based on the merit of each case, may decide the number of firms to be awarded RC for an item in order to have a wider choice.

3. The Buyer reserves the right to purchase the contracted goods through School Run Canteen (Canteen Stores Department), in case available, without entering into Parallel Rate Contract.

4. The Buyer as well as the supplier may withdraw the rate contract within 30 days of serving suitable notice to the other party.

5. The purchaser has the option to renegotiate the price with the rate contract holders.

6. In case of emergency, the purchaser may purchase the same item through ad hoc contract with a new supplier.

7. The purchaser and the authorized users of the rate contract will be entitled to place supply orders up to the last day of the validity of the rate contract and, though supplies against such supply orders will be effected beyond the validity period of the rate contract, all such supplies will be guided by the terms and conditions of the rate contract.

8. **Fall Clause.** The rate contract will be guided by “**Fall Clause**”, which provides that if the rate contract holder reduces its price or sells or even offers to sell the rate contracted goods following conditions of sale similar to those of the rate contract, at a price lower than the rate contract price, to any person or organization during the currency of the rate contract, the rate contract price will be automatically reduced with effect from that date for all the subsequent supplies under the rate contract and the rate contract amended accordingly. Other parallel rate contract holders, if any, are also to be given opportunity to reduce their price as well, by notifying the reduced price to them and giving them 15 (fifteen) days’ time to intimate their revised prices, if they so desire, in sealed cover to be opened in public on the specified date and time and further action taken as per standard practice. However, if the parallel rate contract holders attempt to grab more orders by unethical means by announcing reduction of their price (after getting the rate contract) under the guise of Fall Clause and their performances are not found to be up to the mark, appropriately severe action should be taken against them including deregistering them, suspending business deals with them, terminating the contract or any other action as deemed fit by the Buyer.

9. **Risk & Expense clause.**

(a) Should the stores or any instalment thereof not be delivered within the time or times specified in the contract documents, or if defective delivery is made in respect of the stores or any instalment thereof, the Buyer shall after granting the Seller **24 hrs** to cure the breach, be at liberty, without prejudice to the right to recover liquidated damages as a remedy for breach of contract, to declare the contract as cancelled either wholly or to the extent of such default.

(b) Should the stores or any instalment thereof not be in accordance with the specifications / parameters agreed by the Seller, the Buyer shall be at liberty, without prejudice to any other remedies for breach of contract, to cancel the contract wholly or to the extent of such default.

(c) In case of a material breach that was not remedied within **24 hrs**, the Buyer shall, having given the right of first refusal to the Seller be at liberty to purchase or procure from any other source as he thinks fit, other stores of the same or similar description to make good:-

(i) Such default.

(ii) In the event of the contract being wholly determined the balance of the stores remaining to be delivered there under.

(d) Any excess of the purchase price, cost of manufacturer, or value of any stores procured from any other supplier as the case may be, over the contract price appropriate to such default or balance shall be recoverable from the Seller. Such recoveries shall not exceed 10% of the value of the contract.”

10. **Force Majeure clause.**

(a) Neither party shall bear responsibility for the complete or partial non-performance

of any of its obligations (except for failure to pay any sum which has become due on account of receipt of goods under the provisions of the present contract), if the non-performance results from such Force Majeure circumstances as Flood, Fire, Earth Quake and other acts of God as well as War, Military operation, blockade, Acts or Actions of State Authorities or any other circumstances beyond the parties control that have arisen after the conclusion of the present contract.

(b) In such circumstances the time stipulated for the performance of an obligation under the present contract is extended correspondingly for the period of time of action of these circumstances and their consequences.

(c) The party for which it becomes impossible to meet obligations under this contract due to Force Majeure conditions, is to notify in written form the other party of the beginning and cessation of the above circumstances immediately, but in any case not later than 10 (Ten) days from the moment of their beginning.

(d) Certificate of a Chamber of Commerce (Commerce and Industry) or other competent authority or organization of the respective country shall be a sufficient proof of commencement and cessation of the above circumstances.

(e) If the impossibility of complete or partial performance of an obligation lasts for more than 6 (six) months, either party hereto reserves the right to terminate the contract totally or partially upon giving prior written notice of 30 (thirty) days to the other party of the intention to terminate without any liability other than reimbursement on the terms provided in the agreement for the goods received.

PART V – EVALUATION CRITERIA & PRICE BID ISSUES

1. **Evaluation Criteria**. The broad guidelines for evaluation of Bids will be as follows:-
- (a) Only those Bids will be evaluated which are found to be fulfilling all the eligibility and qualifying requirements of the RC/Tender Documents.
 - (b) The Lowest Bid will be decided upon the lowest price quoted by the particular Bidder including all taxes, duties, transportation & freight cost. In the absence of any such stipulation it will be presumed that the prices quoted are firm and final and no claim on account of such duties will be entreated after the opening of tenders. If a Bidder chooses to quote a price inclusive of any duty and does not confirm inclusive of such duty so included is firm and final, he should clearly indicate the rate of such duty and quantum of excise duty included in the price. Failure to do so may result in ignoring of such offers summarily. If a Bidder is exempted from payment of Customs or any other duty / taxes up to any value of supplies from them, they should clearly state that no excise duty will be charged by them up to the limit of exemption which they may have. If any concession is available in regard to rate/quantum of Customs or any other duty / taxes, it should be brought out clearly.

(c) If there is a discrepancy between the unit price and the total price that is obtained by multiplying the unit price and quantity, the unit price will prevail and the total price will be corrected. If there is a discrepancy between words and figures, the amount in words will prevail for calculation of price.

(d) The Lowest Acceptable Bid will be considered further for placement of contract / Supply Order after complete clarification and price negotiations as desired/ decided by the Buyer. The Bidder will have to attend the Price Negotiation Committee Meeting, if called for, at his own expense.
