1. Sainik Schools Society (SSS), an autonomous organization under the Ministry of Defence, Govt of India is a registered society under the Societies Registration Act XXI of 1860 and manages Sainik Schools including approved new Sainik Schools located in various parts of the country. These schools are involved in imparting quality education and training to Cadets to be good citizens and prepare them to excel in all works of life. Admissions in the Sainik Schools and the new Approved Sainik School in partnership mode are governed by the Sainik Schools Society (SSS). At present, there are a total of 33 existing Sainik Schools and 18 approved New Sainik Schools across the country.

2. **Sainik Schools (SS)**. Sainik Schools are wholly residential English medium schools that offer a common curriculum and are affiliated with the CBSE, New Delhi. Sainik Schools prepare Cadets to join the National Defence Academy (NDA), Khadakwasla (Pune), Indian Naval Academy, Ezhimala and other Training Academies as officers in addition to the All India Secondary School Examination. All existing Sainik Schools cater for the Science subjects stream only. Besides academic advancement, the students are encouraged to develop their creative faculties through co-curricular activities and socially useful productive works. They are also introduced systematically to all major games and are given NCC training. A list of existing Sainik Schools is given in **Appendix- A**.

3. **New Sainik Schools (NSS)**. The Ministry of Defence (MoD) had approved the scheme for setting up of approved New Sainik Schools, in partnership mode with NGOs/private schools/State Governments. These approved New Sainik Schools, besides their affiliation to respective Education Boards, function under the aegis of the Sainik Schools Society and follow the Rules and Regulations for approved New Sainik Schools prescribed by the Sainik Schools Society. ## ADMISSIONS

4. **All India Sainik School Entrance Examination (AISSEE)**. Admission is based on the performance of candidates in the All-India Sainik Schools Entrance Examination (AISSEE). The admission of candidates will be carried out on the basis of e-counselling as per rank secured by the candidates in the school wise, gender wise, category wise (Home State and Out Side State) Merit List of AISSEE 2023, medical fitness approved by competent medical authorities and verification of original documents.

5. ***Admission to Sainik School is in Class VI and Class IX only through AISSEE 2023 for the academic year 2023-24. Admission for Sainik School pattern in the approved New Sainik schools is in class VI only through AISSEE 2023 for the academic year 2023-24.***

6. Sainik Schools Society has developed an e-counselling portal for admission into existing and New Sainik Schools named **All India Sainik School Admission Counselling (AISSAC)**. It is mandatory for the candidates to register through the official e-counselling online portal to be able to obtain seats to be allocated through AISSAC in any of the existing and New Sainik Schools. The category-wise intake capacity known as seat matrix will be announced on the online portal, <https://mes.ncog.gov.in/sainikschoolecounselling>.

7. The SOP stated herein will be followed for allocating seats for the above-referenced admissions for the academic year 2023-24, AISSEE seat allocation counselling (AISSAC).

8. The seat allocation process follows a strict timeline. The entire process is online, and computer operated. **No exceptions are possible and therefore, candidates are strongly advised to thoroughly acquaint themselves with SOP, be vigilant, keep their documents handy and make arrangements for making the requisite payments, well in advance.** It will not be possible to entertain requests for an extension of time for adhering to a timeline or for completing any activity. Candidates having any queries may reach out to the Sainik Schools/SSS. The contact numbers and email ids are mentioned on the portal in the Sainik School information tab.

9. A seat to the highest possible choice of school is allocated to the candidate in e-counselling considering the following factors:

- (a) Domicile of the candidate's Home State (HS) or Other State (OS) as described in AISSEE 2023 information bulletin.
- (b) The category [GEN, OBC-NCL, SC, ST, DEF] and gender of the candidate.
- (c) All India Rank of the candidate in the respective rank list(s).
- (d) The order of preference of schools selected by the candidate.
- (e) The availability of seats in different seat categories/seat quotas for which the candidate is eligible.

10. NTA conducts AISSEE and Sainik Schools Society frames the policies and norms for seat allocation to Sainik Schools. BiSAG will extend its technical support for providing the services of e-Counselling and Admission for the above-said activities carried out by SSS.

11. No agency other than AISSAC/SSS is responsible for seat allocation to the seats at existing and approved New Sainik Schools. Candidates seeking information/assistance from any agency/agent other than authorised by AISSAC/SSS shall be doing so at their own risk and cost. There is only ONE official AISSAC 2023 website, viz., <https://mes.ncog.gov.in/sainikschoolecounselling>.

12. **Any student who has appeared for AISSEE 2023 and has qualified for AISSEE 2023 is eligible to apply for e-counselling through the AISSAC portal (Qualification criteria are explained in the AISSEE Information bulletin 2023).**

32. It is important for candidates to carefully prioritize the schools while filling in the choices while bearing in mind that only the choices filled in would be made available for seat allocation and only ONE seat from among the choices filled-in will be made available to the candidate.

33. Candidates are given a window (as per the timeline on the portal) for registration and filling of their school choices in the order of preference. This window will NOT be extended under any circumstances. Requests in this matter shall not be entertained. During this period, each candidate must fill choices carefully. The candidate must select only those schools in the choices which the candidate is willing to join and prioritize them in order of preference.

***34. Candidates are advised to visit the school website for fee structure, scholarship and other related information applicable for Individual schools. AISSAC 2023/SSS shall not be responsible for fee structure, scholarships etc related rules applicable for Individual schools and will not entertain any request or complaint regarding the Fee Structure.***

35. Candidates MUST “**LOCK**” their choices on/before the last day of choice filling. If candidates do NOT lock their choices, the last saved choices will be locked automatically upon reaching the deadline for choice filling. Once locked, the choices filled by a candidate can be edited. If a candidate wishes to edit their choices after locking before the choice filling deadline, they can do so by clicking on the edit option available to unlock the choices on the portal. If the candidate does not lock the choices after unlocking, then the last saved choices before unlocking will be considered for seat allocation.

36. Candidates will NOT be allowed to edit their choice list after the deadline for choice filling, i.e., candidates **CANNOT** change the order of their choices OR add any more school/s in OR delete any school/s from their choice list after the deadline for choice filling. Candidates are strongly discouraged from sharing their login information with others.

37. Before the commencement of each Round, candidates will be again given a school choice filling option where candidates can prioritize school/s in order of preference. Fresh registration for every Round will be available for candidates. The fresh Choice filling of schools will be available to the newly registered candidate for the vacant school seat of that round.

#### **OPTION AVAILABLE TO THE CANDIDATES AFTER SEAT ALLOTMENT**

38. It is the candidate’s responsibility to log in to the AISSAC 2023 portal and check if a seat is allocated in a given round of seat allocation. A schedule of e-counselling activities will be updated on the website after every activity. If the candidate is allocated a seat, the following option will be available to the candidates, for which the candidate needs to take action (ACCEPT/RECONSIDER/EXIT) before the last date/time specified for the given round, i.e., the round in which seat is allocated, otherwise, the seat allotted to the candidate will be cancelled and it will be considered that the candidate is not interested in the counselling process and further candidate will not be able to participate in any round of

counselling or claim admission in any school based on AISSEE 2023 merit. The following option will be available to the candidates after allotment of school:-

- (a) **ACCEPT.** If a candidate accepts the allotted seat, he/he has to complete admission formalities (Medical cum Physical Verification) within the prescribed time (**As per the timeline**). Failing to do so, the candidate will not be able to participate in any further round of counselling or claim admission in any Sainik School based on the merit of the AISSEE 2023 exam.
- (b) **RECONSIDER.** If a candidate is not satisfied with the seat allotted, he/she can opt for the '**RECONSIDER**' option to participate in the next round of counselling for the remaining available seats. However, in doing so, the allotted seat shall be automatically cancelled and no further claim will be admissible.
- (c) **EXIT.** If a candidate selects the '**EXIT**' option then it will be considered that the candidate is opting out of the counselling process and further candidate will not be able to participate in any round of counselling or claim admission in any school based on AISSEE 2023 merit. **Candidates who do not react to the allocated seat in any Round will be allotted EXIT option automatically by the system and further, such candidates CANNOT participate any more in Seat Allocation for the ensuing academic year 2023-24**

### **PROVISIONAL OFFER OF SEAT AND ITS CONFIRMATION**

39. A candidate who has been allocated and **ACCEPTED** a seat in any School as per the preference of choices filled by him/her and merit, he/she has to complete admission formalities (Medical cum Physical Verification of documents) within the prescribed time (**As per the timeline on the portal**). Failing to do so, the candidate will not be able to participate in any further round of counselling or claim admission in any Sainik School based on the merit of the AISSEE 2023 exam. The candidate accepting the allotted school needs to follow the steps as given below:-

- (a) **STEP-1- REPORTING AT MEDICAL CENTER.** After seat acceptance, candidates will have to report at the Medical Examination Center as per the Slot allotted by the admitting school. It is the parent's responsibility to get the medical done of their son/daughter, however, the school will provide help to the candidates in coordinating with Medical Authorities, in case of any problem faced by the parents. **For existing Sainik Schools the format of the medical form will be available on the AISSAC portal. For the approved new Sainik School the candidates will get a Medical Fitness Certificate from a registered government physician.**
- (b) **STEP-2- PHYSICAL VERIFICATION BY ALLOTTED SCHOOL.** After the medical fitness report, candidates will have to report at the admitting school, and produce all required documents to the admitting school. the admission will be cancelled if these fail to meet the requirements as per the prevailing norms. Therefore, it is the responsibility of the candidate to keep the valid certificate or document ready. All the certificates/documents will be verified at the time of Physical

reporting at the admitting school. A list of suggestive documents for Sainik Schools are given in.

(c) **STEP-3- PAYMENT OF FEE.** After completing the above two steps or any other admission formalities of the admitting school, pay the fees of the school and get the admission confirmed.

*After completion of all formalities Principal of the schools is requested to update the status of the candidates by clicking on ADMIT tab.*

*It is the candidate's responsibility to plan their travel such that the Medical cum physical verification of documents is completed by the last day of the counselling round in which they are allocated a seat (if any) [As per the timeline on the portal]. No exceptions shall be made in this regard.*

40. **Candidates on 'HOLD'.** The candidates may face this type of situation in the following cases:-

(a) **Candidates Declared Medically Unfit.** The decision of the Medical Board will be final except where a representation has been made to the Principal. The Principal will examine the appeal himself and decide with reference to the evidence produced before him if the case calls for merit. A case in which competent medical opinion is produced to counter the finding of the previous medical board, will normally merit a review. Such cases will be put on '**HOLD**' by the Principal. Subsequently, the Principal may coordinate with the medical authorities as done earlier in manual admission in the schools and arrange a review medical board for the re-examination of the candidate. If the review medical board finds him fit for admission, the Principal will '**ACCEPT**' the candidate on the portal and admit him to the school if his rejection was only on account of lack of medical fitness after Physical Verification and payment of fees. The school will charge a fee of **Rs.100/- (Rs.50/- from SC/ST)** for holding a review medical board. However, the candidate will be required to appear before the **Review Medical Board at the designated place** at his own expense. In the case of the **UNFIT** report, the Principal will click the **REJECT** button on the Portal.

(b) **Discrepancies in the documents.** In case of any discrepancies in the documents during Physical Verification, query(ies) (if required) raised by the allotted school must be responded by the candidates within the last date/time specified for the given round [as per the timeline on the portal]. Additional query(ies) may be raised by the school in case discrepancy(ies) still persist(s). In such cases, the candidate must respond to the additional query(ies) within the last date/time specified for the given round [as per the timeline on the portal]. The allocated seat will be confirmed or cancelled based on the validity of the document(s) produced in response to the query(ies) and the candidate meeting the eligibility criteria. Failure to reply to the query(ies) raised would lead to seat cancellation and will be considered as a rejection of the offer. **Such cases can also be put on 'HOLD' by the Principal at their discretion owing to the genuinity of the case.**

(c) In all HOLD cases, the seat of the school will be blocked and will not be released till the time school ACCEPT/REJECT the candidate's status on the Portal.

41. ***It is the parent's/candidate's responsibility to plan their travel such that the Review Medicals cum physical verification of the documents is completed by the last day of the e-counselling round in which they are allocated a seat (if any) [as per Timeline]. No exceptions shall be made in this regard.***

42. ***The Parents are also advised to keep adequate funds ready at the time of registration and choice filling for payment of the Fees, in case allotment of school to avoid last-minute hassles. Non-payment of the fee within the Timelines subject to the fitness of Medical standards (including Review Medicals) cum physical verification, is one of the ways to reject the offered/allocated seat in school and will be treated as a rejection. In such a situation, the school may reject the candidate with reasons and the candidate will no longer be able to participate in the seat allocation process in the subsequent rounds.***

43. ***Candidates who do not react to the allocated seat CANNOT participate any more in Seat Allocation for the ensuing academic year 2023-24.***

#### **CATEGORY/GENDER/DOMICILE DISCREPANCIES IN THE DOCUMENT**

44. **Gender discrepancies.** If a female candidate wrongly declares their gender as male and is allotted a seat in a school where female candidates are restricted, the allotted seat will be cancelled. Similarly, if a male candidate wrongly declares the gender as female and is allotted a Female-Only seat, the allotted seat will be cancelled. **Such candidates will be considered for seat allocation in the subsequent round(s) of seat allocation (if any).**

45. **Domicile discrepancies.** The following rules will be applied, if there is an error in the domicile :

- (a) The state code of eligibility will be corrected in the AISSAC database.
- (b) Retention/cancellation of seat will be as determined by the following table:

Eligibility	Allocated seat quota	Action
Outside state quota	Outside state quota	Seat will NOT be cancelled
Outside state quota	Home state quota	Seat will be cancelled
Home state quota	Outside state quota	Seat will be cancelled

- (c) Candidate will be considered for seat allocation in subsequent round(s) for the remaining seats for seat allocation (if any), provided all other requirements are satisfied.

46. **Category discrepancies.** For candidates who wrongly declared the category and if same is noticed at later stage during Physical Verification then the category tag of the candidate will be changed (for the purpose of seat allocation) to General and Candidate will be considered for seat allocation in subsequent round(s) for the remaining seats for seat allocation (if any), provided all other requirements are satisfied.

47. **Principal of schools will highlight all three types of situations mentioned in Para 44 to 46 to the Sainik Schools Society for consideration and further decision. The decision by the SSS with regard to such discrepancies shall be final.**

48. Delays or disruptions in service due to the breakdown of AISSAC computer servers shall be rectified as early as possible and notified on the web portal. The decisions of AISSAC/SSS in this regard shall be final and binding.

49. Grievances Redressal/helpdesk:

(a) In case of any query/grievance with respect to AISSAC 2023, please contact: [admissions@sainikschoolssociety.in](mailto:admissions@sainikschoolssociety.in) or contact any of the Sainik Schools. (contact and mail ID given on the portal)
